Confort et précision au bout des doigts !

Choose a mouse that is both stylish and functional, available in three vibrant colors: black, blue and red. With its ambidextrous design, it adapts perfectly to all hands for optimal comfort.

Enjoy unmatched precision thanks to its 1000 DPI resolution, ideal for work and navigation. Its responsive sensor ensures smooth and accurate tracking on all surfaces.

Simplify your gestures with its three buttons and scroll wheel, designed for intuitive use. Its lightness (60 g) and compact dimensions make it an indispensable asset in the office and at home.

Work in complete peace of mind with its wired USB connection and its 1.5 m cable, guaranteeing a stable and uninterrupted connection. Compatible with Windows and Mac, it installs instantly thanks to its included quick installation guide.

Assert your style by choosing the color that suits you and let yourself be seduced by the simplicity and efficiency of the Shape 3D. With its ergonomic design and reliable performance, it will quickly become an essential part of your daily life!
