

# PHOENIX GTA Series

## Product price:

€64.90 tax included

**The brand ADVANCE** to introduce you to its PHOENIX box which is dedicated to the gamers that are looking for a bold design case with RGB LEDs and a tempered glass side panel for a constant view of your setup. Its elegant and futuristic gaming format allows it to host a configuration based on an ATX or micro ATX motherboard.

**PHOENIX has** between 7 extension slots, integrates 2 120 mm fans including an RGB and will allow you to integrate a 160mm CPU, a 310mm VGA, 6 other coolers (locations: high: 2x120mm; power supply 2x120mm; before: 2x120mm 3x140) or watercooling (rear: 120mm; high: 120mm/240mm; front:120mm/240mm/280mm) to ensure processor cooling.

**Designed to accommodate** a configuration dedicated to the gaming, the PHOENIX case has a generous interior space to accommodate the most powerful components. With 2 bays 2.5"SSD /3.5" HDD (OR 3 bays SSD 2.5" / 1 HDD 3.5") for storage and a wide external connector, you have many possibilities to connect hard drives and other devices.

**Retrolighting RGB** with no less than 20 modes is configurable according to your preference and brings a assumed gaming touch (compatible Asus AURA / RGB Fusion Ready / MSI Mystic / ASROCK).
