

XPERT H700 DARK WHITE

Product price:

€49.90 tax included

7.1 SURROUND SOUND: Enjoy a 360° experience with virtual surround 7.1 sound. A realistic audio effect that allows you to hear your opponents approach and prepare you to face them!

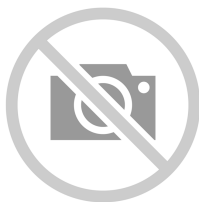

ALUMINIUM SHAPE: The headset adapts to the morphology of your head thanks to its height-adjustable aluminum bow and also its vertically incinerable headphones.

LEATHER PROTEIN: Coussinets and bow in "protein leather": an artificial leather that offers a level of comfort superior to leather simili, touch similar to true leather, more resistant, softer, more flexible, reduces the sensation of heat... and more ethical.

OVERVIEW: Its omnidirectional detachable microphone is equipped with noise reduction technology for clear and precise conversations with your team.

RAINBOW BREATHING: XPERT H700 is ultra-design with its glossy headphones and RGB rainbow breathing backlight. It lights up/off directly from the remote control.

SOUND FX: Designed to play with a C-Media® audio chipset and Xear™ technology, download the PC-compatible software only and access multiple settings: volume, EQ, 7.1 virtual, Xear SingFX...
