

POWERUP 90W ASUS

COMPATIBLE ASUS : Say goodbye to charging problems with PowerUp 90W for laptop ASUS*. This universal charger is equipped with three interchangeable connectors (TIPS), perfectly adapted to the various ASUS portable PC models. No need to look for the specific charger compatible with your laptop.

THAT'S WHAT IT IS! To check the compatibility of the PowerUp 90W universal charger with your ASUS laptop, it's a disconcerting simplicity! All you need to do is consult the information at the back of your computer: Watts (W) power, **volt voltage (V)**, and intensity in Amperes (A). Then compare these data with the table below and choose the tip corresponding to your ASUS model. PowerUp Intelligent automatically detects the required power, ensuring that you are used without worry.

USB KEY: The versatility is at the rendezvous with PowerUp 90W. The charger also has a 5V USB socket 2.4A to load your smartphone or other device, at the same time as your computer.

GARANTIE: Quality is our priority. Our ASUS universal charger is designed to guarantee a fast and secure load. It has several protections (OVP / OCP / OTP / OPP) ensuring the safety of your devices. You can rely on him for a reliable diet.

COMPACTE FORME: The compact shape and weight of PowerUp 90W make it the ideal travel accessory. With slightly larger dimensions than a credit card, it easily slips into your bag without adding extra weight. Say goodbye to the refill tracas and enjoy an all-in-one solution. Order yours today!
