

# PULSE BLUETOOTH

**Product price:**

€34.90 tax included

**Wireless!** Dive into the heart of an unprecedented game experience with our Pulse controller, equipped with **bluetooth technology** wireless with an extended operating range of up to 10 metres. Free yourself from the cables and immerse yourself completely in the action, either on **Switch, PC, iOS or Android**.

**Transparent design:** Refine your style with the Pulse handle, wearing a **transparent design and a backlight with 10 captivating modes** : 4 dynamic RGB effects and 6 trendy colors. Customize your gaming experience with a unique dazzling color design. Pulse is not just a handle, it is a style statement, the perfect fusion between game performance and aesthetics.

**Programmable:** Perfect your gaming experience with the Pulse controller that perfectly combines Macro and Turbo features. **Two additional programmable buttons** facilitate the recording of your favorite macros. Finally, speed up your gameplay by assigning **turbo mode** to one or more keys: enjoy quick and repetitive actions with a simple continuous pressure!

**Move!** Designed to offer an optimal gaming experience, the Pulse handle combines comfort and performance. Its ergonomic design offers a pleasant grip while the **6-axis gyroscopic sensor** ensures exceptional accuracy. Feel each action with double **adjustable vibration motor on 4 intensity levels**. With the Pulse controller, live a total immersion and personalized at every moment of your game.

**No mantle looks like him** The 800 mAh rechargeable lithium battery is a real champion and ensures **an autonomy of 20 hours**. This remarkable performance guarantees extended play sessions without interruption. And with a fast charging time, you will spend less time waiting and more time playing.
