

NEON BLUETOOTH

Product price:

€39.90 tax included

Wireless! Dive into the heart of an unprecedented game experience with our Neon controller, equipped with **bluetooth technology** wireless with an extended operating range of up to 10 metres. Free yourself from the cables and immerse yourself completely in the action, either on **PlayStation 4, PS3, PC, iOS or Android**.

Transparent design: Refine your style with the Neon handle, wearing a **transparent design and a backlight with 10 captivating modes** : 4 dynamic RGB effects, 6 trendy colors, even the brightness is adjustable. Customize your gaming experience with a unique dazzling color design. Neon is not just a handle, it is a style statement, the perfect fusion between game performance and aesthetics.

Programmable: Perfect your gaming experience with the Neon controller that perfectly combines Macro and Turbo features. **Two additional programmable buttons** facilitate the recording of your favorite macros. Finally, speed up your gameplay by assigning **turbo mode** to one or more keys: enjoy quick and repetitive actions with a simple continuous pressure!

Move! Designed to offer an optimal gaming experience, the Neon handle combines comfort and performance. Its ergonomic design offers a pleasant grip while the **6-axis gyroscopic sensor** ensures exceptional accuracy. Feel each action with double **adjustable vibration motor on 4 intensity levels**. With the Neon handle, live a total immersion and personalized at every moment of your game.

No mantle looks like him The 900 mAh rechargeable lithium battery is a real champion and ensures **a 16-hour autonomy**. This remarkable performance guarantees extended play sessions without interruption. And with a fast charging time, you will spend less time waiting and more time playing.
