

PRO-H6 DARK

MULTIPLATFORM: Optimized for effortless connectivity, the PRO H6 easily connects to the 3.5 mm jack socket of your handle **PlayStation, Xbox, Nintendo Switch console, smartphones, Mac, and even your PC** thanks to its adapter included. Enjoy a smooth and immersive gaming experience without any tricks, whatever the device you use.

POWERFUL SOUND With a circum-aural design, PRO H6 integrates **50 mm speakers** which offer you a stereo sound experience with amazing clarity, accompanied by powerful bass. Dive into the heart of action with a rich and immersive sound, giving life to every detail of your game.

ON AIR! The PRO H6 is equipped with **flexible omnidirectional microphone**, offering exceptional audio caption quality. Thanks to her **command mute** integrated, you have total control over your communication at stake. Perfect for clear and precise conversations with your teammates, the PRO H6 microphone provides you with an uncompromising social game experience.

RETRO-ECLAIRAGE Thanks to its USB socket dedicated to the RGB system, the PRO H6 is illuminated and offers an ultra-design RGB Rainbow backlight. Dive into a captivating visual atmosphere and let your helmet shine with elegance and personality during your game sessions.

ULTRA-COMFORTABLE : The helmet ensures optimal comfort thanks to its **self-adjustable bow** equipped with **adjustable elastic band**. Similicuir headphones are also tiltable and swivel, offering a personalized adaptation to the shape of your head. Enjoy a pleasant port experience, even during extended game sessions, thanks to the ergonomic design of the PRO H6.
