

SMARTPHONICS 350

Product price:

€14.90 tax included

Lightness and incomparable comfort: With its feather weight of only 42g, the Smarphonics 350 headset redefines the concept of comfort. Its adjustable metal bow and leather pillow offer a perfect fit, allowing you to stay focused on your work without feeling tired.

Superior audio quality: Equipped with a 30 mm speaker, this single wired headphone ensures exceptional sound quality. Whether you are participating in a significant video conferencing or regularly telephoning, each sound detail is returned with impressive clarity.

Crystalline communication: Thanks to its omnidirectional flexible microphone and integrated noise reduction technology, the Smarphonics 350 headset provides telephone conversations or online meetings with crystalline clarity, even in the noisy environments.

Versatility and practicality: This 3 in 1 microcase is designed to fit all your needs. With its main 3.5 mm 1.50 metre Jack cable, 50 cm USB secondary cable with integrated remote control and USB adapter to USB Type-C, it is compatible with a wide range of devices and applications, including Windows®, Mac® and communication platforms such as Skype and Teams.

Total hand control: The intuitive remote control of the Smarphonics headset offers total control over your audio experience. With an LED indicator for easy use, it allows you to adjust the volume, cut the sound from the microphone or audio at any time, thus ensuring a personalized and uninterrupted experience. **With the Smarphonics 350 headphones, dive into a world of comfort, superior audio quality and versatility, perfect to meet all your professional communication needs.**
