

FEEL WIRELESS

Product price:

€9.90 tax included

Freedom and performance: Feel Series mice offers a reliable 2.4 GHz wireless connection, with a range of up to 10 metres, allowing you total freedom of movement for uncompromising productivity.

Customizable precision: With an adjustable resolution of up to 1600 DPI, Feel allows you to adjust the sensitivity according to your needs, whether for fluid navigation in documents or increased precision during your creative tasks.

Ambidextre and ergonomic: The 3 buttons, the scroll wheel and the Feel Series mouse DPI button offer an intuitive user experience, while its ultra silent clicks and design ensure optimal comfort throughout the working day.

Universal compatibility: Whether you're using Windows© or macOS©, this mouse is compatible with the main operating systems, offering you a fluid and no-clash user experience, wherever you are.

Simplicity of use and reliability: Thanks to their On/Off buttons and their discreet USB nano receivers, Feel Series mouse is ready for use in a moment, while their compact dimensions and light weight make them perfectly suitable for nomadic use. **Don't let the limits stop you, opt for Feel Series mice and experience a wireless, precise and comfortable work experience, every click!**
