ELITE M50 DARK

Product price:

€34.90 tax included

TRIPLE MODE! Perfectly designed for demanding gamers, the ELITE M50 gaming mouse offers ultimate versatility with its 2.4 GHz wireless connection mode, Bluetooth or USB wire. With its Pixart 3320 sensor, it has an exceptional resolution of 8000 adjustable DPI on 6 beaches, ELITE M50 guarantees unmatched precision for an immersive gaming experience.

ELITE M50 stands out by its 6 programmable buttons, offering complete customization thanks to its built-in Macro editor. Its acceleration of 10 G, a speed of 30 ips and a frequency of 500 Hz guarantees reactive performance, while its RGB backlight is 16.8 million colors and its 7 dynamic effects add a unique aesthetic touch. The ergonomic design specially designed for the rightlers offers optimal comfort, complemented by an impressive 90-hour range (without RGB) and a fast charging time of 3 hours.

DOCKING STATION For a complete gaming experience, ELITE M50 is equipped with an elegant charging station. With its RGB backlight offering 7 modes, it adds a striking visual touch to your gaming space. The 1.5 m USB cable ensures reliable connectivity, and with compact dimensions and non-slip skates, it integrates seamlessly into any game environment.

LOGICIEL INTUITIF Optimize your experience with its software that offers advanced customization with a full Macro editor for the 6 programmable buttons. Easily adjust IPR on 6 beaches, ranging from 800 to 8000 IPR, to meet your specific needs. The adjustment of the Polling Rate (125 Hz / 250 Hz / 500 Hz) and the advanced mouse settings offer total control, placing the ELITE M50 at the top of the performance gaming.

Product features:
