The freedom of wireless with optimal precision!

Choose a stylish and functional wireless mouse, available in three vibrant colors: black, blue, and red. Its ergonomic design specifically designed for right-handers ensures a comfortable and natural grip.

Enjoy smooth and precise navigation thanks to its 1600 DPI optical sensor, ideal for work and office tasks. Its 2.4 GHz wireless technology ensures a stable connection with a range of up to 10 meters.

Simplify your gestures with its three buttons and scrolling wheel, designed for intuitive and efficient use. Its compact and lightweight (60 g) format allows you to take it everywhere with you, without clutter.

Work freely thanks to its ultra-discreet USB nano-receiver, ready to use in a few seconds with Plug & Play technology. Compatible with Windows XP and Mac OS X, it installs automatically for immediate use.

Assert your style by choosing the color that suits you and discover the pleasure of wireless every day. With the Shape 3D Wireless, benefit from a perfect combination of comfort, convenience, and performance!
