

# ErgoMounts Xtrem

**Product price:**

€49.90 tax included

Discover the articulated support ErgoMountas Xtrem, designed to accommodate **standard or curved screens from 17 to 45**. Redefine your work experience by continuously adjusting the position of your screen, providing optimal ergonomics.

Gas cylinder, designed to withstand the weight of your screen, be it a **flat screen weighing between 1 kg and 16 kg**, or **curved screen weighing between 1 kg and 13 kg**. This ingenious device not only offers a varied load capacity, but also a wide range of settings, including tilt, rotation and height.

Its universal adapter conforms to **vESA standards**, offers extended compatibility with mounting spacings of **75 x 75 mm and 100 x 100 mm**. The global VESA standard defines the dimensions in millimetres of horizontal and vertical spacing between mounting points for screens.

Office well organized thanks to its **integrated cable management system**, which allows you to effectively hide HDMI and power cables, thus ensuring a neat and orderly workspace.

**Quick installation** on your desktop in minutes thanks to **two installation options included** : a desk clamp, compatible with trays 1 to 8 cm thick, and a cable pass (or piercing the tray), compatible with trays 1 to 4 cm thick.
