Product price:

€24.90 tax included

Discover XtendMountas Single articulated support, designed to accommodate a **flat or curved screen from 17"**. Redefine your work experience by adjusting the position of your screen, providing optimal ergonomics.

Articulated arm ideally designed for **optimize your desktop space**. Its fastening, both robust and ergonomic, as well as its articulated arm, offer total flexibility with possibilities of **inclination, orientation and rotation** it is specially designed to support the weight of your flat or curved screen weighing up to 9 kg max.

Its universal adapter conforms to **VESA standards**, offers extended compatibility with mounting spacings of **75 x 75 mm and 100 x 100 mm**. The global VESA standard defines the dimensions in millimetres of horizontal and vertical spacing between mounting points for screens.

The **tablet included** offers efficient storage, keeping objects within reach while optimizing space. It is equipped with a convenient slot for a phone. In addition, the office remains well organized thanks to its **integrated cable management system**, allowing the cables to be effectively concealed.

Quick installation on your desktop in minutes thanks to **two installation options included** : a desk clamp, compatible with trays 1 to 8.5 cm thick, and a cable pass (or piercing the tray), compatible with trays 1 to 4 cm thick.
