

R-TYPE PLUS WIRELESS

Unmatched wireless performance : Enjoy wireless freedom with RF 2.4GHz on the R-TYPE keyboard, ensuring a stable connection up to 10 meters. Compatible with Windows and Mac, a dedicated button allows you to switch easily between the two operating systems.

Silent and functional: The R-TYPE membrane keyboard combines a silent and comfortable strike thanks to its 118 "Low Profile" keys, providing a smooth and pleasant experience, perfect for environments requiring maximum concentration. In addition to this soft typing, it includes 10 multimedia keys for quick access to your favorite apps and functions, making it easier to control music, videos and other tasks with a simple pressure, and thus transforming your daily life.

Elegant and enlightened design : Dive into a colorful universe with the RGB Rainbow backlight on the R-TYPE keyboard. Add a touch of modernity and style to your workspace while enjoying optimal visibility, even in the dark.

Rechargeable and splash-resistant battery
With a rechargeable lithium battery of 1000 mAh, the R-TYPE keyboard provides a long-term range for continuous use. With its IPX4 certification, it is resistant to splashes for increased durability, perfect for intensive use.

Compact and light, the R-TYPE mouse is a wireless ambidextrous mouse offering discreet comfort with its silent clicks. Equipped with 4 buttons, a scroll wheel, and an adjustable resolution from 800 to 1600 DPI, it fits your needs. Its RGB backlight with 7 colors and 15 effects adds a touch of style. The 2.4 GHz RF wireless technology ensures a stable connection up to 10 meters, and its 500 mAh rechargeable lithium battery guarantees long range. In addition, a mouse mat is included for optimal use.
