

# RACE WHEEL PRO AIR

**270°:** Race Wheel Pro Air impresses with its incredible 270° steering angle, offering driving sensations close to reality.

**VIBRATION:** 5 adjustable vibration levels! Vibration simulates real driving sensations, thus strengthening the realism of the game.

**DEADZONE:** 10 levels to adjust the "dead zone" and get a more accurate and personalized driving game experience, with more sensitivity and responsiveness.

**WIRELESS:** Enjoy a Bluetooth wireless connection, without latency and with an operating distance up to 8 meters.

**GAME ON:** Play on any platform: Nintendo Switch, PS4, PS3, iPhone and iPad (iOS), Smartphones and Tablets on Android.

**BATTERY:** Exceptional autonomy thanks to its low consumption 3 AAA batteries (not included) and complemented by the possibility of wired connection thanks to the included USB cable (2 meters).

**DRIFT:** For better stability, a mounting kit is included to allow the steering wheel to be securely fixed on a table, a desk with a tray of between 0.5 cm and 5 cm.

**OKEY DOKEY:** For kart fans, we added backlit

ears! A little nod to our favorite Kart game and drivers of all ages.
