

XPERT-K250

Product price:

€39.90 tax included

Performance and responsiveness : Discover a reactive keystroke with our XPERT-K250 mechanical keyboard equipped with red switches, designed for a smooth input experience and without clicking or tactile activation point. The touch descends smoothly, offering exceptional comfort and increased durability.

Advanced customization Transform your typing experience with our XPERT-K250 hot-swappable keyboard. Replace or upgrade your switches at a glance with the included extractor. Choose faster switches or adapt the keyboard to your personal preferences with ease.

Antighosting technology Take advantage of 26-Key Rollover (26KRO) technology for optimal accuracy and responsiveness. Run simultaneous key combinations without loss of control, boosting your performance in play.

Customizable RGB lighting : Light up your setup with 17 RGB backlight effects, adjust the brightness and speed of animations to create a unique visual atmosphere that reflects your style.

Ergonomic design : Enjoy the superior ergonomics of our XPERT-K250 keyboard with its two height adjustable positions, combined with an elegant finish for optimal impact comfort and refined design.
