

FANATIC 500 ARTIC

Her stereo: A compact speaker system that delivers dynamic stereo sound. Thanks to its peak power of 12 Watts and a total power of 6 Watts RMS (2 x 3W), enjoy a clear and rich sound quality, whether to listen to music, watch movies or play video games.

Double connectivity for a versatile experience: With its dual connectivity, FANATIC 500 adapts to all your needs. Bluetooth 5.1 technology allows you to wirelessly broadcast your favorite music up to 10 meters, guaranteeing great freedom of movement. In addition, its 3.5 mm Jack output ensures extended compatibility with a multitude of audio devices, such as TVs, computers, gaming consoles, smartphones, tablets, and music players.

Intuitive controls and customizable backlighting: Take full control of your sound experience with intuitive controls. Easily adjust the volume, change the track, and modify the RGB lighting to create the perfect atmosphere. You can also switch effortlessly between auxiliary and Bluetooth modes for maximum flexibility.

Compact! FANATIC 500 is distinguished by its elegant and compact design, with dimensions of 18,4 x 8,7 x 9,4 cm and a total weight of only 1 kg, making it easy to place in any space. It is powered via USB (DC 5V), making it a convenient choice for daily use at home or in the office.

Practical! FANATIC 500 has all the advantages to fit perfectly into your sound environment. It is equipped with a headphone socket (micro not supported) and includes 1 m Jack and USB cables, as well as a 75 cm cable connecting the two speakers. This speaker system is the perfect
