

# PRO-M4 DARK

## Product price:

€19.90 tax included

Discover PRO M4, the ultimate gamer mouse that drives you to the top of the competition. With its 12800 DPI resolution spread over 6 adjustable levels, you have ultra-precise control at each movement.

Equipped with 6 programmable buttons with Huano switches, it allows you to customize your actions and dominate the game with macros adapted to your style. Its acceleration of 20G and its speed of 60 ips guarantee a staggering reactivity, even during the most intense sessions.

Ultra-light with only 67.5 g, the PRO M4 offers unparalleled precision and fluidity. Each movement is optimized for flawless performance, all with an ultra flexible and durable "Paracord" cable of 1.75 m.

Personalize your experience with its RGB backlight button, offering 13 dynamic light effects for a unique and vibrant setup. You can adjust color, speed and profiles for total immersion in your games.

Thanks to its intuitive software, create and import up to 4 custom profiles, and take absolute control with DPI, macros, and RGB effects. PRO M4 is your ally for memorable victories!
