

PRO-K2 DARK

Product price:

€19.90 tax included

WE ARE GAMERS: PRO K2 offers superior responsiveness and precision that allow you to give the best of yourself during your intense parts. With its compact 60% format and 62 semi-mechanical keys, the PRO K2 keyboard is made for you.

NO GHOST With 24 antighosting keys, PRO K2 is specially designed to meet the needs of the most demanding players. Thanks to antighosting technology, each key pressure is accurately recorded, even when several keys are pressed simultaneously.

RGB BY SPIRIT: you enjoy optimal visibility of the keys, making it a formidable ally of day and night. The keyboard features a 3-mode RGB backlight: Rainbow, Breathing, which allows you to customize your lighting preferences. You can even adjust the brightness and speed of the RGB.

WORK HARD: PRO K2 is designed to withstand intense effort. Its robust and robust design ensures exceptional durability. The keys are specially designed to withstand thousands of hours of intense play, while the non-slip base keeps the keyboard firmly in place even during the most animated game sessions.

PLAY HARD: Do not lose the thread of your game, PRO K2 offers you optimal gaming comfort with its Play mode. A locking function of the Windows context menu that prevents accidental output to the desktop.
