**Maximum accuracy and responsiveness!** The mouse keyboard pack **ULTIMATE 600** is designed for the most demanding gamers, offering unparalleled performance. The keyboard has 105 semi-mechanical keys for a pleasant touch and exceptional precision, while the mouse, with a resolution of 6400 DPI, guarantees perfect responsiveness in all your actions.

**Off-standard performance:** With an ultra-fast response time of less than 8 ms, the keyboard is equipped with 26 antighosting keys, ensuring a smooth gaming experience without input errors. Each key pressure is instantly recorded, allowing you to react with a staggering speed in the most critical moments.

**Durability and superior quality:** Made to last, the keyboard has a robust aluminium coating that resists the wear and rigour of the most intense play sessions. This robust design ensures that your equipment will remain reliable and efficient even after many hours of intensive play.

**Advanced mouse control:** The pack mouse offers 8 programmable buttons, including a special RapidFire button, to chain fast actions with formidable efficiency. Thanks to its 12G acceleration and ergonomic in-chest, it is perfectly suited for intensive use, guaranteeing comfort and optimal control throughout your long game sessions.

**Elegant and modern design:** Combining elegance and functionality, the pack **ULTIMATE 600** stands out for its RGB Rainbow backlight, both on the keyboard and on the mouse, offering a modern and stylish look that perfectly complements your game setup. Add a touch of color and customization to your game space with this set designed for performance and style.
