

XPERT-K150

Product price:

€34.90 tax included

Discover an incomparable typing experience with XPERT K150 gaming keyboard, equipped with **tactile blue mechanical switches** and audible click. Each key pressure offers **responsive and accurate feedback**, allowing you to feel and hear each activation for optimized performance.

XPERT K150 revolutionizes your setup with its **hot-swappable design**, allowing you to **easily replace switches** to adapt your keyboard to your needs. Thanks to the included extractor, change your switches easily and enjoy advanced customization.

With the **100% Anti-Ghosting technology** and N-Key Rollover, no commands will escape you, even in the most complex key combinations. This keyboard is designed to offer **optimal responsiveness**, guaranteeing you a certain advantage in all your parts.

Its **compact ormat TKL** (Ten Key Less) with 69 keys is designed to maximize efficiency and responsiveness, while providing more space for your mouse movements. Each key is strategically positioned to allow exceptional agility and speed of execution in play.

Customize the keyboard with its **21 RGB backlight modes**. Adjust the brightness and speed of the effects to create an immersive environment that fits perfectly with your style of play, and turn your sessions into real bright shows.
