

SWIFT 4D WIRELESS

Product price:

€9.90 tax included

Wireless freedom and silence: The **SWIFT 4D Wireless** mouse offers you a reliable wireless connection thanks to 2.4GHz technology, with a range of up to 10 meters. Enjoy a smooth, clutter-free work experience while benefiting from ultra-quiet clicks for a calm and productive environment.

Adjustable precision: With a resolution adjustable up to 1600 DPI, **SWIFT 4D Wireless** allows you to customize sensitivity according to your needs. Whether for fast navigation or tasks requiring high precision, it adapts to your requirements.

Ergonomic and practical design: With 4 buttons and a smooth scrolling wheel, the **SWIFT 4D Wireless** mouse offers exceptional comfort, whatever your use. Its ambidextrous design suits all users, ensuring a pleasant grip, whether you are right-handed or left-handed.

Instant connectivity: Equipped with a nano USB receiver, **SWIFT 4D Wireless** connects quickly and reliably to your device. Say goodbye to cluttered cables and enjoy an instant wireless experience.

Compatibility and lightness: Compatible with **Windows®** and **macOS®**, **SWIFT 4D Wireless** integrates seamlessly with your equipment. With its compact dimensions (10.3 x 6.1 x 4 cm) and lightweight of only 55 g, it is ideal for daily use, in the office or on the go.
