

ULTIMATE 300 - 4 in 1 Pack

Let's go ! The **PACK ULTIMATE 300 RGB** is the ideal equipment for gaming enthusiasts in search of performance, comfort, and style. This complete package includes everything you need to revolutionize your gaming experience : an ultra-performing RGB keyboard, a precise RGB mouse, an optimized RGB mat, and an immersive RGB headset. Designed with a sleek design and innovative features, the **PACK ULTIMATE 300 RGB** meets the expectations of the most demanding gamers. Immerse yourself in a universe of intense sensations and elevate your skill to a new peak !

Discover the **keyboard ULTIMATE 300**, combining modern design and double-zone LED RGB Rainbow backlighting, offering distinct lighting for the keys and the background of the keyboard, for total immersion. Its metal chassis ensures robustness and durability, while its ultra-slim semi-mechanical keys provide quiet and comfortable typing. With anti-ghosting technology supporting up to 7 keys simultaneously, this keyboard is your perfect ally for exceptional gaming performance.

Whether you're a fan of large movements in games or you want more space for your mouse, the **mat ULTIMATE 300** and its 14 RGB modes are made for you. Its comfortable dimensions, smooth surface, and non-slip rubber base make it perfect for intensive use on all surfaces.

Enter the world of gaming with the **mouse ULTIMATE 300** ! Experience surgical precision thanks to its 8000 DPI optical sensor. Designed for the most demanding gamers, its soft touch coating and ergonomic thumb rest offer absolute comfort during long gaming sessions. Personalize your experience with 6 preset RGB effects for a unique gaming experience.

Immerse yourself in an immersive audio experience with the **headset ULTIMATE 300** ! Its ultra-modern design and RGB Rainbow backlighting transport you to the heart of the action. Enjoy powerful sound and optimal comfort thanks to its 40mm speakers and self-adjusting
