

GTA 220 Keyboard

Product price:

€14.90 tax included

Dive into the heart of the action with GTA 220, a keyboard designed for a smooth and immersive gaming experience. Its 105 flat "Chocolate" keys offer quiet and comfortable typing, ideal for long gaming sessions as well as remote work. Thanks to its ergonomic design, each game becomes a pleasure.

Illuminate your desk with the Double Rainbow RGB backlighting, which combines vibrant colors and adjustable breathing effects. Adjust the speed and brightness to your liking, for total immersion, day or night. Your setup has never been so stylish.

With its 12 multimedia keys, control your music, your videos and more with a single gesture. The Windows® context menu lock ensures an uninterrupted experience, even in the most intense moments. The LED indicators allow you to keep an eye on the status of essential functions.

Designed for your comfort, GTA 220 has a convenient height adjustment, which adapts to your typing style. Compact and light with its dimensions of 45 x 16.2 x 2.5 cm and its 587 g, it is ideal for desks of all sizes. Its 1.45 m USB cable offers simple and flexible installation.

Compatible with Windows® and requiring only a free USB port, GTA 220 integrates perfectly into your setup. Whether you are a casual gamer or a fierce competitor, this keyboard will be your best ally to dominate your games.
