Product price:

€17.90 tax included

GTA 240 immerses you in an unparalleled gaming experience with its 105 semi-mechanical membrane keys, offering comfortable and precise typing. Designed for demanding gamers, it guarantees optimal performance, even during the most intense sessions.

With its 19 anti-ghosting keys, forget about input conflicts and enjoy flawless responsiveness, essential to dominate your opponents. Its unique design, enhanced by two red aluminum fins, brings a bold and resolutely gamer aesthetic touch to your setup.

The RGB Double Rainbow backlighting transforms every game into an immersive visual spectacle, thanks to its 3 customizable RGB modes. Adjust the brightness to your liking to adapt your light atmosphere to your environment. Your keyboard becomes a true design asset.

The 12 multimedia keys and the Windows context menu lock® offer comfort and convenience. Easily control your media without leaving your games, while avoiding accidental interruptions. The LED indicators ensure clear visibility on the status of the main functions.

Solid and ergonomic, GTA 240 adapts to your needs with its height adjustment, for optimal comfort during long sessions. Its dimensions of 46.7 x 16.7 x 3.4 cm and its 817 g make it a robust and stable keyboard. Compatible with Windows® and equipped with a 1.45 m USB cable, it integrates perfectly into any gaming setup.
