The ideal duo for working in complete serenity!

The **SILENTKEYS pack** combines a keyboard and a wireless mouse for a both silent and high-performing work experience. Thanks to their **silent keys and clicks**, these devices ensure a calm environment, ideal for shared workspaces or extended sessions.

The **2.4 GHz wireless mouse** offers great precision with an adjustable resolution up to **1600 DPI** (800, 1000, 1200, 1600). Designed to suit both right-handed and left-handed users, it features **4 buttons and a scroll wheel** for smooth navigation. Compact and lightweight, it is equipped with a **nano USB receiver**, a power-saving mode and an on/off button to optimize the battery life of its **included AA battery**.

The **2.4 GHz wireless keyboard**, on the other hand, offers **105 Azerty keys**, including **19 anti-ghosting** for precise and fast typing. Its quiet and ergonomic keys are perfect for working in calm. With **12 multimedia shortcuts** and **LED indicators**, this keyboard combines practicality and modernity, while being powered by an **included AA battery**.

With a wireless range of up to **10 meters**, this duo offers great freedom of movement, whether for working or navigating remotely. Both devices have a sleek and compact design: the keyboard measures **44 x 13 x 3 cm** (490 g), while the mouse measures **11.3 x 6.1 x 3.6 cm** (70 g).

Compatible with Windows® and requiring only a **free USB port**, the **SILENTKEYS pack** is the perfect solution for those seeking comfort, silence, and performance in their work environment.
