ELITE K60 combines an ultra-compact design and formidable performance thanks to its **98 semi-mechanical keys, 19 of which are anti-ghosting**, for quick and precise strikes during your gaming sessions. Its optimized size allows it to integrate perfectly into any space, without compromising on usability.

Enjoy flawless connectivity with the triple connection mode: **wireless RF 2.4 GHz, Bluetooth 3.0/5.0, or via a USB cable**. ELITE K60 allows you to play without constraints up to a distance of 10 meters, perfect for a smooth wireless gaming experience.

The integrated LCD screen of the ELITE K60 informs you in real time about the battery status, connection mode and essential indicators such as NumLock, CapsLock, and Winlock. Never be caught off guard thanks to a rechargeable 2000 mAh battery offering an impressive autonomy of 360 hours.

The 3-zone RGB backlighting of the ELITE K60, with **15 RGB effects and 7 customizable colors**, immerses you in an immersive atmosphere, while allowing you to adjust the brightness and speed of the effects to your liking. The dedicated volume adjustment wheel and Quick mute simplify audio management without interrupting your game.

With its **ergonomic design, adjustable height feet**, ELITE K60 ensures long-lasting comfort. Compatible with Windows® and macOS, it adapts perfectly to your environment, offering an unparalleled gaming experience.
