HEADQUARTER 250: prepare to enter the arena!

Your new playground! With its modern design and robust finish, the HEADQUARTER 250 gaming desk is ready to accommodate your setup. Its 120 x 60 cm carbon effect top offers generous space, ideal for a double 27" screen or a latest generation curved screen.

RGB Design: Integrated directly into the top, the RGB LED bars add an immersive touch to your gaming environment. The system offers 8 lighting modes, easily controllable with a touch button. Power is provided via a supplied USB cable, ensuring quick and simplified installation.

Ergonomics and comfort: Every detail has been thought out for an optimal gaming experience. The headset support allows you to keep a clear desk, while the cup holder prevents any risk of spillage on your keyboard during a game.

Unwavering stability: Designed to withstand the most intense sessions, HEADQUARTER 250 rests on an ultra-stable metal structure, sporting a futuristic Z design. Its 18mm thick MDF top ensures remarkable solidity, and its adjustable feet adapt perfectly to all surfaces.

No more tangled cables! Thanks to an advanced management system, including a basket under the desk and integrated cable pass-throughs, your setup will always remain clean and organized. HEADQUARTER 250 combines design, comfort, and performance for total immersion. Get ready to dominate the game!
