Stay cool, stay focused: With Airstream 17", your laptop stays cool in all circumstances. Its 6 ultra-quiet blue LED fans create a powerful airflow to dissipate heat, even during work or gaming marathons. Its micro-perforated metal grid ensures optimal dissipation, for lasting performance and peace of mind.

Find your perfect angle: Work, create or play in total comfort. Airstream 17" offers 7 tilt positions, from 10° to 30°, to suit your posture and relieve your back. Whether you're at your desk or on your couch, you always enjoy the ideal angle.

A base that won't let you down: Your laptop stays perfectly stable thanks to the integrated anti-fall device. No more worrying about untimely slips: Airstream 17" offers discreet but essential security, so you can focus on what's important.

Take control of your comfort: With its simple and intuitive controller, Airstream 17" lets you manage your fans with just a gesture. Turn on, turn off, adjust the speed according to your wishes. Need calm or power? You decide.

Plug in, enjoy: No USB port sacrificed: Airstream 17" is powered directly from your computer and offers an additional port to plug in whatever you need. Convenient and stylish, it blends perfectly into your living space, ready to boost your daily life.
