One charger for all your devices.

The QuickFlex Pro 70W from Advance is designed to simplify your digital daily life. Thanks to its USB-C connection and its 6 included tips, it powers a MacBook, a laptop, a smartphone, a tablet or a console: at home, in the office or on the move.

Compatible with all your favorite brands.

Whether you use HP, Dell, Lenovo, Microsoft Surface, MacBook, Samsung, Huawei or a Nintendo Switch, this charger adapts to your uses. It becomes the ideal ally for nomad pros, multitasking students and connected travelers.

Compact but ultra-powerful.

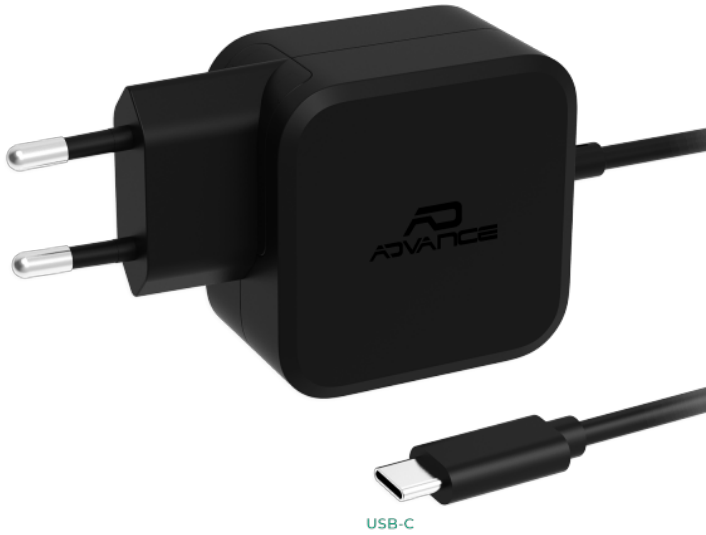

With its GaN technology, the QuickFlex Pro delivers up to 70W of power in a mini format (5 x 4 x 2.9 cm for 160 g). Its reduced size hides remarkable efficiency, for a quick charge without weighing down your bag.

Fast charging and maximum security.

PD 3.0, PPS, QC 3.0... it includes the best technologies to charge quickly while protecting your devices. It adjusts the power delivered in real time for a stable, safe and optimized charge, even for demanding devices.

Designed to adapt to your pace.

Its 1.8 m USB-C cable, its 6 exclusive tips and its universal 100-240V input make the QuickFlex Pro an indispensable daily item. Practical, durable and ultra-compatible, it naturally integrates into your modern digital life.
