Step into the arena with Fanatic 200, a compact soundbar that unleashes the full power of a 6W RMS 2.0 stereo sound. Thanks to 3D Sound technology, you feel every sound detail with deadly precision, from stealthy footsteps to devastating explosions. Every moment becomes more intense, every victory more satisfying.

Designed for multi-platform gamers, Fanatic 200 is compatible with PC, Mac and all consoles. No need to juggle between different audio systems: it follows your sessions without fail, from the office to the bedroom. One soundbar to dominate all your universes.

Its hybrid connectivity gives you the choice: USB connection for maximum stability or Bluetooth for total freedom. Switch from one device to another effortlessly and without interruption, whether you're in the middle of a game, streaming or voice chatting. Fanatic 200 adapts to your pace, not the other way around.

Take control with the multifunction wheel, your onboard command center. Adjust the volume, change mode, activate RGB lighting and choose from 6 light effects to enhance your setup. Display your colors and make your space vibrate with each game.

Compact but impactful, Fanatic 200 fits under any screen with style. Easy to plug in via USB and equipped with 2" speakers, it gives you clear sound in a form factor of just 41.5 cm. Lightweight, powerful and stylish, it's designed for combat.
