**Powerful bass for total immersion:** Immerse yourself in your games and music with 2.0 stereo sound that delivers deep and punchy bass. Every explosion, shot, and sound effect comes to life, offering you a complete sensory experience that turns your gaming sessions into intense and immersive moments.

**A precise microphone and immediate audio control:** Stay focused on victory thanks to the intuitive wired remote control that allows you to adjust the volume or mute the microphone in an instant. The 15 cm flexible omnidirectional microphone ensures clear and clear communication with your teammates to coordinate your attacks with precision, even in the heat of action.

**Long-lasting comfort for gaming marathons:** PRO H4 is designed to keep up with your most intense sessions thanks to its adjustable headband, rotating and tilting ear cups, and soft faux leather cushions. This ergonomic design reduces pressure and fatigue, allowing you to stay focused for hours without sacrificing your comfort.

**Multi-platform compatibility for unlimited gaming:** Thanks to its universal 3.5 mm jack connectivity, PRO H4 adapts to PC, PlayStation, Xbox, Nintendo Switch and even some smartphones and tablets. No need to multiply the headsets: enjoy immersive and powerful sound on all your devices, at home or on the move.

**A foldable and practical design designed for gamers:** Compact and lightweight, PRO H4 accompanies you everywhere thanks to its foldable design easy to carry. Its modern matte finish combines style and robustness for an elegant gamer look, whether in front of your RGB setup or on the go. Take the Spirit of Gamer power wherever you go.
