

SMARTPHONICS 650

Product price:

€19.90 tax included

Daily Comfort and Lightweight Design :

Featuring an ultra-lightweight design of only 145g, the Smarphonics 650 is engineered for comfortable all-day wear. Its leatherette supra-aural cushions and adjustable headband provide a perfect fit, while the integrated volume wheel directly on the earcup allows for quick adjustments without taking your eyes off your work.

Clear and Balanced Audio :

Equipped with 40mm neodymium drivers, this headset delivers powerful and precise sound. Whether for professional calls, remote work, or multimedia entertainment, every detail is reproduced with optimal clarity across a frequency range of 20 Hz to 20 kHz.

Flexible Mic for Crystal Clear Voice :

The omnidirectional microphone, mounted on an 11.5 cm flexible boom, captures your voice with precision. Thanks to its 270° rotating design, it adapts perfectly to either right- or left-side use, ensuring smooth communication and total flexibility based on your preferences.

Universal 3-in-1 Connectivity :

Main Cable: 1.20m braided nylon 3.5 mm Jack. Secondary Cable: 1.50m USB-A cable including a multi-function remote (Volume +/-, Mic Mute, Audio Mute, and LED indicator). USB-C Adapter included for full compatibility with PCs, Macs, smartphones, and tablets.

A Versatile Tool for All Your Activities :

Fully compatible with Windows®, macOS®, and communication platforms such as Teams, Zoom, and Discord, this wired stereo headset is the ideal tool for the office, gaming, or remote learning. Choose the Smarphonics 650 and enjoy a high-performance, lightweight, and Plug and Play audio solution.
