

SMARTPHONICS 700

Product price:

€29.90 tax included

Daily Comfort and Lightweight Design

: Weighing in at a featherlight 145g, the Smarphonics 700 is engineered for all-day comfort. Its leatherette supra-aural cushions and adjustable headband ensure a perfect fit, while the integrated volume controls directly on the earcup allow you to stay focused on your professional tasks without any fatigue.

Clear and Balanced Audio

: Equipped with 40mm neodymium drivers, this headset guarantees a powerful and precise audio experience. Whether you are making important calls or enjoying multimedia entertainment, every sound is delivered with exceptional clarity across a frequency range of 20 Hz to 20 kHz.

Flexible Mic for Crystal Clear Voice

: The omnidirectional microphone, mounted on a 17.5 cm flexible boom, features ENC technology (Environmental Noise Cancellation) for flawless conversations. Its 270° rotating design allows for use on either the right or left side, ensuring effective communication without background distractions.

Wireless Freedom and 3-in-1 Connectivity

: The Smarphonics 700 offers total versatility to adapt to all your devices: Wireless Bluetooth (10m range) for smartphones, tablets, and laptops. Wireless 2.4 GHz via the included USB-A and USB-C dongles for a stable and fast connection. Wired mode with the included 1.20m USB-A cable. The lithium battery provides up to 20 hours of wireless battery life with a full recharge in just 2 hours.

Intuitive Control for Your Connected Lifestyle

: Fully compatible with Windows®, macOS®, and applications such as Teams, Zoom, and Discord, this headset is the ideal tool for the office, remote work, or training. Choose the Smarphonics 700 and discover a high-performance, versatile, and ultra-comfortable wireless stereo headset designed to meet all your communication needs.
