

QUICKFLEX 30W

Product price:

€9.90 tax included

Ultra-Slim and Compact Design : With its "Slim" format (only 1.5 cm thick) and a featherlight weight of 53 g, the QuickFlex 30W charger is designed to fit anywhere. Whether behind furniture or in a travel bag, its compact design sacrifices nothing in terms of power, offering a reliable and discreet solution for your daily life.

GaN Power and Technology : Equipped with GaN technology, this charger adjusts power in real-time for faster, safer, and perfectly adapted charging for every device. It guarantees maximum efficiency with integrated protection against overcurrent, overvoltage, overcharging, and short circuits, ensuring the longevity of your batteries.

2-in-1 Fast Charging : The QuickFlex is a versatile charger featuring dual ports to charge two devices simultaneously: USB-C Port: Delivers up to 30W (PD 3.0 compatible). USB-A Port: Delivers up to 18W (QC 3.0 compatible).

Extended Universal Compatibility : Designed for your connected lifestyle, it offers universal fast charging for smartphones, tablets, smartwatches, and consoles. It supports a wide range of protocols, including Apple 2.4A, Samsung AFC, and Huawei FCP, ensuring full compatibility with your iOS and Android devices.

A Safe and High-Performance Solution : Choose the Advance 30W QuickFlex and discover an essential tool combining design, safety, and high performance. It is the ideal solution for those seeking optimized fast charging, whether at home or on the go.
