

QUICKFLEX 90W

Product price:

€39.90 tax included

Ultra-Slim Design and Maximum Versatility

: With its "Slim" format (only 1.8 cm thick) and compact design, the QuickFlex Pro 90W charger is the perfect travel companion. Designed to be as discreet as it is powerful, it slides easily into a laptop bag, offering a potent and reliable charging solution without the bulk of a standard power brick.

GaN Power and Technology

: Thanks to integrated GaN technology, this charger ensures superior energy efficiency in a reduced size. It adjusts power in real-time for secure and optimized charging, while providing full protection against overvoltage, overcharging, and short circuits, preserving your battery health over the long term.

Exceptional Charging Performance

: Optimized for laptops, tablets, and handheld consoles, the QuickFlex Pro delivers 90W of power capable of charging 0 to 50% of your battery in just 30 minutes. Whether you use the built-in 1.80m USB-C cable or one of the provided tips, you benefit from the high-speed performance essential for your professional needs.

"6-in-1" Universal Compatibility

: This universal charger stands out for its unique flexibility. It comes with 6 exclusive interchangeable tips to fit the leading brands: USB-C (MacBook, Surface, etc.) ASUS, HP, DELL, LENOVO (Square), ACER, TOSHIBA. It also supports a wide range of protocols (Apple 2.4A, Samsung AFC, Huawei FCP) to safely charge smartphones and smartwatches.

An All-in-One Professional Solution

: Choose the Advance 90W QuickFlex Pro and enjoy a robust, elegant, and universal charging tool. It is the ultimate solution for demanding users who want a single high-performance charger for all their digital devices, whether at the office or on the road.
