

AIRSTREAM 15"

Product price:

€14.90 tax included

Stay cool, stay focused: Compact, stylish, efficient: **Airstream 15"** is your daily freshness ally. Thanks to its **two 125 mm blue LED fans** spinning at **1500 RPM**, it generates a **powerful airflow of 20 CFM** to efficiently cool your laptop up to **15 inches**. And with an **ultra-low noise level of 10 decibels**, you enjoy total silence, even in the middle of a work session.

Adjust your comfort: Designed for your well-being, **Airstream 15"** offers **2 tilt levels** to suit your posture. Whether you're in productive or relaxation mode, you keep the right angle to relieve your shoulders and back. Ergonomic and practical, it naturally integrates into your routine.

Light, stable, portable: Solid and well thought out, it combines a **perforated metal structure** for better heat dissipation and a **robust plastic chassis**. Compact (**340 x 250 x 23 mm**) and **light (435 g)**, it slips into your bag and follows you everywhere. Its non-slip surface keeps your laptop perfectly in place, even on the smoothest supports.

Control simplicity: **Airstream 15"** is powered by **5V USB cable** (provided) and gives you an additional **USB 2.0 port**. No compromise: you plug in your accessories without sacrificing connectivity. The integrated controller allows you to **manage the fans** with a simple gesture: turn on, turn off, adjust the ventilation according to your needs.

Clean design, free spirit: Minimalist, modern and silent, **Airstream 15"** fits perfectly into all environments: home office, gaming space or relaxation corner. **Cooling, comfort and style** combined in an essential accessory to keep a cool head and a light spirit.

Product features:
