An optimized space for those who love when everything is in order. BASICLINE has a padded main compartment, an additional compartment for accessories or documents, as well as external pockets dedicated to everyday essentials. Each item naturally finds its place, for quick and stress-free access.

Solid finishes for intensive use with confidence. Made from durable nylon, it is designed to keep up with the fast pace of your days. Reinforced handle, strong buckles and comfortable shoulder strap ensure uncompromised portability.

Discreet but essential details. The metal zippers, rings and carabiners, and especially the invisible zip of the main compartment, provide a neat and secure finish. Every detail has been thought out to combine aesthetics and performance.
