

POWERFLEX TURBO 65W

Product price:

€39.90 tax included

Powerflex Turbo is an ultra-compact USB-C charger offering a total power of 65W. No bigger than a credit card, it will accompany you everywhere to load your devices at home, at the office or on the go.

With its USB-C cable included, Powerflex Turbo works with most devices equipped with USB-C connectivity: Smartphones, Tablets, Nintendo Switch, Smartwatch...

Extended compatibility, It also allows you to load your iPhone, your AirPods, your iPad and much more... (USB-C to Lightning cable not included)

Made with GaN : by replacing the silicon of our semiconductors with gallium nitride (GaN), we have created a more efficient range of chargers that generate less heat, faster and more compact than ever!

Maximum reliability and safety for your devices, Powerflex Turbo integrates the latest components and technologies to protect your devices from excessive power, overheating and overloading.. Charge your devices effectively without worry.
