

STEELDISK 2.5"

Product price:

€14.90 tax included

Boost your digital daily life: Carry your files everywhere in style with the external case **SteelDisk 2.5"**. Its **ultra-fast USB 3.0** technology allows you to transfer movies, photos and projects in seconds. No need to wait: your memories and data are always at your fingertips.

A practical ally for all your needs: Whether to recycle an old hard drive or add space to your computer, SteelDisk is the ideal solution. Compatible with **2.5" SATA** hard drives and SSDs up to **1 TB**, it becomes your trusted partner for saving, sharing and protecting your data on a daily basis

Elegant and durable design: With its **brushed aluminum** case, SteelDisk combines elegance and robustness. Its modern look fits perfectly with your work or leisure environment, while ensuring excellent heat dissipation to preserve your discs longer.

Ready to use in an instant: No need for software or complicated setup: just plug in your disk, connect it to your computer and enjoy. The **included USB 3.0 cable** (60 cm) and the **built-in LED indicator** make its use intuitive, convenient and pleasant.

Compatible with all your devices: Windows, Mac or Linux: SteelDisk adapts to you. It accompanies you both at the office and in your leisure activities, to carry your important files, your favorite movies or your playlists wherever you go.
